

25 July 1974

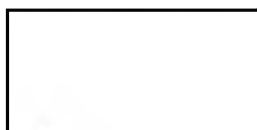

MEMORANDUM FOR: All NIOs and PP

SUBJECT: FY 1975 Key Intelligence Questions

1. The DCI would like to have the final version of the FY 1975 KIQs before USIB next week (Thursday, 1 August). To meet this schedule we will have to send out the final text no later than opening of business on Monday (29 July) and preferably by Friday evening.

2. As you know, we have received a few comments and editorial suggestions though several quarters have not yet been heard from, including the three military services. Given the DCI's wishes and the amount of time honorable members have already had to deliberate, however, we can reasonably adopt the position of "speak now or forever hold your peace."

3. In light of the above, I would appreciate it if each of you would fish-eye the current text of the KIQs in your area, consider the proposed changes that have already been offered, accept or reject them to the extent you feel proper, and let me have your final editorial emendations by early tomorrow afternoon.
